All Saints Church Of England Primary School
Introduction of our Learning Gems

We asked each class how they felt our Learning Gems were helping in their learning after two terms of working with them. Here are some of the children's responses from across the school.

'Ruby Power makes us think about our actions and makes us work harder and pushes us to try our best.'

'We have a calmer classroom as we fight off 'monster distractions.''

'We are proud of our friends when we they get a gem.'

'Earning a gem makes me feel like I have achieved something.'

'We like the sparkle cards – they encourage people to do good things and they are unique.'

'I'm motivated by gems because I want to earn them.'

'The gems encourage me to try new things in my learning across the subjects.'

'They give me confidence to try new things.'

'Diamond Power encourages me to not always tell the teacher if there is a problem- I can sort it out myself.'

'The Focus is on Sapphire Power so I focus instead of talking.'

'The gems give me courage.' 'They build on not giving up.'

'The gems help us to know we have done well.'

'The gems help the class help each other.'

'Everyone is working together to make a better class.'
