EARA - Equality and Rights Advocates
Who are we?

What is our role?

- We are here to listen and represent everyone in our school.
- To make sure everyone is treated fairly and has equal opportunity.
- We have learnt about important legislation and to teach everyone at All Saints about the:
  - Equality Act
  - United Nations Convention on the Rights of the Child (UNICEF)
  - Human Rights

We want to make sure everyone is heard.

We attend termly interschool meetings

There are around 283 schools who participate in this.

We meet with around 8 other schools and have the pleasure of visiting different schools to:

- ❑to discuss important issues
- ❑debate
- ❑share our ideas of how we can make a difference to promoting a strong, happy, blessed environment where everyone feels welcomed, accepted, respected and most importantly EQUAL!
- ❑We give feedback to our school through regular assemblies

As a group we wrote:

Our aims:

- Promote equality by treating everyone with the same respect, dignity, and kindness
- Understand we all have a voice!
- Be inclusive
- Be a good citizen do not judge or have prejudice
- Understand we all have rights, different opinions and come from different backgrounds
- Celebrate our differences and uniqueness
- Celebrate, rejoice and engage with our community

Our mission statement for our school..

"Challenge how we think and view our world.
Show love, hope and community to all.
Celebrate uniqueness.
Respect we each bring something new and special to the world!
Without community...we are alone.

"I am you and you are me..."

We remind everyone:
We are all unique!
We are all important.

We all have the same Rights.
Together our diversity makes us fantastic!

We have created a central 'Raise a hand' box!

(similar to our class Worry Box so children are familiar with the system).

We will check the box routinely and will try to help or seek someone who can

(Mrs Gray, Mrs Darling-Chalke, Mrs Leslie, teachers or Mrs Hall).

We have also made these colourful lanyards to wear so we stand out if anyone wants to talk to us.

We have designed and will be giving every child a book mark:

We have created a bookmark to help remind us to celebrate and rejoice in our differences.

The world is a vibrant and exciting because of YOU!
