'Playing our part in God's plan as we journey together to achieve the best for ourselves and others.'

Weekly Newsletter

Friday 18th September 2026

Dear Parents & Carers

The children and staff have been thinking carefully about their summer 'glimmer' moments this week, moments that make us stop, think, reflect and perhaps make us learn something about ourselves or our relationship with others or the world around us, and indeed, those moments that make us consider life's meaning in a deeper way. We talk about mirror, doors, window and candle moments here in school to support this work and as a result, the children have produced such thoughtful responses and we are busy creating a lovely display which we hope you can see and enjoy soon.

Collective Worship this week…
This week we have thought about 'David and Goliath' from the Old Testament. We considered fears and opportunities and how David had an inner strength from God. We reflected on how we too can have strength and courage when things are challenging and what can help us make the best of opportunities given to us.
