

Polar Bear's Weekly Newsletter

15.11.24

This week in Polar Bears...

We started the week thinking about remembrance and why it is a special day. We also thought about the things we like to remember which included special people in our lives and places we had been. We made special poppy shaped biscuits and mixed poppy seeds in our play-doh. We have celebrated nursery rhyme week by listening to lots of nursery rhymes and playing rhyming games which included making silly soup. As part of anti-bullying week we have thought about who can help us if we are worried about anything and how our bodies feel when we are worried or upset.

Phonics and Maths...

We have continued learning our phase 3 phonics sounds, learning v, w, x. We have been practising reading and spelling tricky words. As well as comparing numbers in maths we have been looking at circles and triangles.

Next week...

Our text focus next week is The Paper Dolls and we will be linking this to our local area. We will have wheels up again on Tuesday so if your child would like to bring in a bike or scooter, they are welcome to do so. They must also have a helmet.

Our focus sounds next week are: y, z, zz and qu. In maths, we are continuing to focus on comparison of amounts.

How can you support our learning?

We have started a new activity in the morning where we talk about 'news from home.' This is an opportunity for children talk in the past tense and begin to understand history. It does not have to be a big event, an everyday activity is just as important. If you able to send in any photos to support this, that would be great. Thank you.

Have a great weekend.
