Reading/Spelling/Times Tables Expectations

Children need to read with an adult 3 times a week.

Children practice their spellings every morning in class, to help learn these children are expected to practice these at home too.

Homework

Children will be given homework every Tuesday to be handed back in on the following Monday.

Each week children will be given a maths and English homework based on our current learning for the week or week ahead.

On top of this, children need to remember to read, practise spellings and times tables.

Attendance

- An attendance of 97% is essential to ensure children make progress
- If children feel a little under the weather – please send them in – they often ‘pick up’ once busy in class – we will monitor and contact you if needed
- If children are ill – please ring the office by 9.25am with the reason – you can leave a message – we must be able to account for children even if they are not in school
- Essential children are on time – must be in by 8.55am – this ensures a calm transition for your child and the class
