Dear Parents/Carers,

At All Saints C of E Primary School, we aim to include all children in special events and celebrations while keeping their safety our top priority. Many activities throughout the year may involve food treats, and we want to ensure that children with food allergies can participate safely.

As your child has been identified as having a food allergy/intolerance we are requesting your permission to offer your child an **appropriate, allergy/intolerance-safe food treat**, when available, as part of classroom celebrations or activities. Any treat given will:

- Be checked against your child's documented food allergies
- Be reviewed for safe ingredients and cross-contamination risks
- Be provided **only under direct adult supervision**
- Follow your child's allergy Health Care Plan on file

Please complete the permission section below and return to the School Office

---
