Dear Parents and Carers,
Welcome back to the Summer Term! We hope you had a super Easter break. The children have settled back quickly and have worked hard this week — well done everyone!

Hopefully we will see some more sunshine as we go through this term and we can get the children onto the field at lunchtime. As the weather remains mixed at the moment, we ask that children come prepared with rain macs/waterproof coats so we can still get them outside if it is a little wet.

Summer Term Curriculum Focus
Information about what children will be learning this term will be available on the school website by the end of next week (Under Parents Info - Class Pages). As always, if you would like any further information or guidance on this, please do not hesitate to talk to your child's class teacher.

Portchester Castle
Our Year 1 children enjoyed a super visit to Portchester Castle today, where they explored the site and learned all about the role of castles. The children showed exemplary behaviour and all had a informative and lovely day! Thank you to our parent volunteers and everyone who offered their time to go on this visit.

Reminders for next week...
A reminder that weekly swimming begins for Year 3 and Year 4 next Thursday so please ensure children have their kit with them ready to go. Many thanks.

PSHE
Parents of Year 4,5 and 6 parents/carers, will have received an email (on 25th March and again on 16th April) with information about Coram Life Education coming into school on Tuesday 21st April, to deliver some of the PSHE and Relationships education curriculum. The letter outlines the details of this for each class.

Attendance
It has been wonderful to see the children return ready and raring to go this week for the summer Term. As you know, excellent attendance helps children feel secure, confident, and ready to learn. Being in school every day means children don't miss key lessons, routines, or friendships that help them grow academically and socially. Regular attendance also builds good habits early on, showing children that school is a positive and important place to be. When children come to school consistently, they feel more connected, keep up with their learning, and are more likely to enjoy and succeed in their school life. We aim for every child to have at least 97% attendance as every moment matters, and appreciate all you do to support us with this. A reminder that if children are not in school, we need to be notified by 9.25am on the same morning of the absence, and on every subsequent day of absence, as part of our safeguarding protocols. Many thanks for working with us to achieve the best attendance we can as this means children are in school, belonging and thriving.
Here's to a happy and successful Summer Term for every child!
Wishing you all a lovely weekend.

Kind regards,
Jane Hall, Headteacher

Collective Worship this week…

This week we have started to think about our new theme for the term, 'Stories that Help us Grow.' The children reflected so thoughtfully on 'Old Treasure, New Treasure' and how we can learn about ourselves, others, the world around us and those 'big' questions from stories old and new.
