Dear Parents and Carers

Today the children have worked hard thinking about their class projects on how to make a difference in the world around us and to be courageous advocates for people or causes that need a voice. We look forward to sharing this work with you shortly on our website.

Our youngest children, Polar Bears Class, did a fabulous job leading their first ever Sharing Worship this week. They showed off so much of their wonderful learning, confidently reading, singing and performing to a large audience. We are all very proud of them and they gave us a special afternoon which will stay with us for a long time! Congratulations to Polar Bear Class.

Well done also to Snow Leopard Class who led us in their excellent Recorder Performance this week. The audience were highly impressed with how much progress the children have made over the last few weeks and how confidently they performed a whole range of songs. A huge well done to them!

Snow Leopards have had a busy week as they also took part in the Primary School Cross Country event this week. Again, their sheer determination, team spirit and impeccable behaviour was commented on by many and they did an amazing job. Well done to every child!

Collective Worship this week…

This week, we have started to look toward the Easter story. We spent time reflecting on Palm Sunday and how people would have felt on this day of celebration and jubilation as they saw Jesus. The children did an amazing job at reflecting on this and the things we do to welcome people.
