Dear Parents and Carers

Well done to our Year 5 children who led their Sharing Worship with such confidence this week! They impressed us all with how much of their learning they shared and how confidently they performed.

Wildlife Talk
Year 4,5 and 6 enjoyed the Wildlife Talk at Winchester College this week with an interactive presentation and audience engagement. I am told the children particularly enjoyed hearing and learning about the different bird song. As part of this event there is always a competition that children are invited to enter. A huge well done to Stephanie who has won first prize in the 2025 Cameron Bespolka Wildlife Competition. Her sketches of an eagle and Andean Condor, along with her written account of the importance, threats and protection of hawks, eagles, falcons, vultures and owls were amazing and we have been informed that Stephanie's entry won the admiration of all those who attended the afternoon tea, including conservationists from The Hawk Conservancy Trust, Butterfly Conservation and the Hampshire and IOW Wildlife Trust. A massive congratulations to Stephanie!
Stephanie has won her class a day trip to Cameron's Cottage in the Franchises Lodge Nature Reserve in the heart of the New Forest. Ecologists from The Hawk Conservancy Trust and Winchester College's Natural History Fellow will be leading the sessions. We are most grateful to the Cameron Bespolka Trust for their generosity in donating this fabulous prize and to Winchester College for organising such a super event.

Collective Worship this week…

This week, we have thought about courageous advocates and learnt about ordinary people who have done amazing things to make a difference to others. We also thought about peace in the busy lead up to Christmas and as we approach the start of Advent.
