Dear Parents and Carers

Thank you for your attendance at the Meet & Greets this week. For those of you who were unable to attend, the PowerPoints will be added to the class pages of the website.

Morning drop off
If you have a message to pass on to your child's teacher at morning drop off, this can be shared with staff on gate duty or to Mrs Hodan in the office. If you prefer, you can always drop us an email on adminofffice@.

Year R parents who are walking their children into school are asked to use the playground entrance, unless they have a pushchair.

Mornings are very busy so we ask that wherever possible, children are encouraged to walk to class by themselves or with support from a member of staff so that we keep the entrance and corridors as clear as possible for children to walk into school. Lots of congestion around the entrance first thing can be overwhelming for some children as they enter school, so we ask that we all look out for this. Many thanks for your support.

Thank you
Thank you for your contributions to the Jeans for Genes Charity today - so far we have raised a super £189.45. If you would still like to contribute, it is not too late, just send your donation in. Thank you everyone!

A reminder that the Rotary Club boxes can be collected from the school office if would like to create a Christmas box to be sent to a child in need this year. If you are unable to make up a box, but would still like to contribute, you can send in a small item that can then be used in a box that School Council will put together. Huge thanks in advance. Deadline 16th October.

Walktober is coming…

Travelling actively and sustainably can help make a change for our well-being, our community and our planet. Our school is taking part in International Walk to School Month by joining the Walktober challenge run by the My Journey Team at Hampshire County Council. We would like as many pupils, families and staff as possible to get involved by walking, wheeling, cycling, scooting, using Park and Stride, or taking public transport throughout October. There are competitions for pupils and our school to enter for a chance to win some fantastic prizes. Both competitions are fully funded by the UK Government. We will launch this with the children next week and a leaflet is attached for further information.

We will be saying goodbye to Mrs Pam Roebuck at the end of September as she steps down from her role as a learning support assistant after many years at the school. We send our thanks and good wishes to her for the future.

Wishing you all a super weekend.
Kind regards.
