All Saints Church of England Primary School

'Playing our part in God's plan as we journey together to achieve the best for ourselves and others.'

Weekly Newsletter

Friday 5th September 2025

Dear Parents and Carers

A very big welcome back to the Autumn Term! We hope you had a super summer and time to enjoy being with friends and family. We have had a delightful couple of days—the children have come back raring to go and giving us their best. Well done to them!

We would like to offer a very special welcome to our new Year R children, children in other year groups who are new to the school, and of course, their families. We are delighted that you have joined our school community. We would also like to welcome Mrs Corney, our new ELSA and Year 5 LSA, and Mrs Green, our new afternoon Administrative Assistant who have both joined our Team. We are delighted they are with us and know you will get to know them over time.

We have again put together an annual overview of 'Diary Dates for Parents/Carers' to have to help support with organisation. We have added as many dates as possible so far and always try hard to ensure these are not changed, unless because of unforeseeable circumstances. We will of course try and give as much notice for any new dates that come along. This will be sent out shortly.

Autumn Meet and Greets
'Our Class 'Meet and Greets' will be held on the following days after school at 3.40 pm and we hope you can join us to say hello to your child's new teacher and hear about the curriculum, routines and events for the term ahead. PowerPoints will also be uploaded onto the school website after the event. We look forward to seeing you on:

15.09.25 Year R and Year 1
16.09.25 Year 2
18.09.25 Year 4, 5 and 6
19.09.25 Year 3

Genes for Jeans Day
The children are invited to wear denim on Friday 19th September (school uniform does not need to be worn) and we will be collecting donations for the Genes for Jeans Charity. Thank you in advance.

We are very much looking forward to the academic year ahead and working together to continue to make All Saints the wonderful community it is. In the meantime, wishing you all a lovely weekend.

Kind regards
Jane Hall, Headteacher

Dates for your Diary
We will be having our annual **Harvest Service** in the Church on Friday 17th October at 9.30 a.m. Parents are warmly invited.

We will also have our '**Welcome to Year R'** service in the **school hall** on Thursday 25th September at 10.00. We hope our Year R parents can join us.

Dates for your diary…

Meet & Greets as set out
19.09.25 Jeans for Genes Day
25.09.25 Welcome to Year R 10.10 am

1703.11.25 INSET Day

Full diary dates to follow

Stadium
We look forward to Stadium starting back up soon, once volunteers are in place. In the meantime please ensure children have their PE kits in school next week. Thank you.

A reminder that we use the Stadium when it best supports the curriculum, but there are times when the PE unit that children are being taught is better served on the hard court of the playground, such as netball skills. The class will of course still be receiving their PE entitlement even if not visiting the Stadium during this unit.

Information coming home for Parents/Carers...

Next week will be sending out our updated Home/ School Agreement which schools must have. This is usually signed once when children start with us, usually in Year R. We have made some tweaks to it, ensuring our values are embedded in the document and ask that parents sign it and get it back to us for our records. Thank you in advance for this.

We will also be sending home the 'Technology Charter' that our children helped to write, outlining the rules we must all abide by to keep us safe when using computers/Chrome books and technology in school. We will send a copy of this home for your information.

School council helped create a 'Child Friendly' version of our school behaviour policy. Our rules are simple—making sure we are all 'Ready, Respectful, Safe' at all times. We will also send home a copy of this for your information.

A reminder that we are here to support your child as best we can. If at anytime during the year, you need to chat to us, please do not hesitate to make an appointment through the school office. Here's to a happy and productive new academic year!

Collective Worship this week…

This week we celebrated being back to school and looking forward to the coming year. We revisited our school vision and values and thought about how we show Love, Hope and Community through our actions, both inside and outside of school. We have reminded ourselves that all adults in school are here to help us if we have any worries.
